*Harper's Quilting & Fabric Co. Upcoming Classes:*

**Driver's Ed for Sewing Machines**

This class is a must when you don't know how to start your sewing machine.

Maybe you inherited a sewing machine or dug one out of the closet. Bring your machine (newly serviced, if needed, we give free estimates), accessories including power cord, foot pedal, and owner's manual (we can order most books). We will demystify how to thread, operate, get you up and running so you can start or return to sewing. Let us help you!

Level: All Levels

Instructor: Elaine Johnson

[Saturday, January 12—10am-12pm—Session 162](#)

**Quilting 101—Here's Where You Start!**

At the end of our six sessions, you will have learned the basic skills of contemporary quilting: fabric selection and care, rotary cutting, accurate piecing, quilting with a walking foot, and binding. You choose the project to fit your time—with homework: a 40" x 52" quilt or, all done in class, an 18" x 42" table runner. No experience is required.

Level: Beginner

Instructor: Mary Honas

[Thursday, January 17, 24, 31, February 7, 14 & 28—6-8pm—Session 116](#)

### Quilting Bee

One of the charms of the quilting bee was the social time women spent sewing together. If you have a quilting project that cries out for a little hands-on help—or you just want to enjoy the company of other quilters—join us. Mary Honas will be our hostess/facilitator.

[Tuesday, January 15—9am-1pm—Session 189](#)

### Gifts from Friends

Making this table runner could hook you on an easy diagonal piecing technique. Master stitching bias seams and generate half square triangle blocks to ramp up the fireworks or reserve for another project. The table runner includes planned contrast to make those friendship stars shine but can also include many different fabrics. Tessellated placement of working units is a fast and fun way to see four-point friendship stars emerge as row are joined.

The friendship gift is the 'free' half square triangle blocks at either short end of the runner.

Level: Beginner

Instructor: Cynthia Schrader

[Tuesday, January 15 & 22—6-8pm—Session 102](#)
