T-Shirts for Quilts

Who doesn't want a T-shirt quilt? Places we've been, things we've done are remembered and cherished long after we stop wearing the shirts! You can choose from a variety of possible choices or bring in a stencil you like! In the second session the emphasis is on developing muscle memory and filling the open spaces with a memorized design. Loops, meander, stars, teardrops and flames are among the possibilities. As an added bonus, bring a quilt top and we'll plan a quilting design together!
